Upgrade Your Membership

We thought you would never ask!! Once we have earned your trust and you are ready to treat yourself to all the best that tanning, skincare, weight loss, and wellness has to offer.....just ask one of our concierge staff to **"Upgrade Your Membership!"** We are happy to show you the options. Enjoy!

Special Bonus

Did you know that for \$20 more each month you can add **unlimited sunless tanning** as well as **8 spa services** to enjoy each month?

**This is not a three month membership! This is a recurring membership much like the gym or health club you belong to and it may be cancelled after three monthly drafts have occurred should you so choose. But why cancel? You don't cancel your gym membership once you get in shape? You don't cancel your country club membership because you have not played golf or tennis? So don't cancel your Glo membership either! We will freeze your membership for only \$5 per month until you want to return and give you full credit on your account for every \$5 charged on your account to use toward anything Glo! Our billing day is the 16th of each month but we must receive written cancellation or freeze request in store on or before the 10th of the month to avoid additional monthly charges. \$50 enrollment fee for the membership.
